

## Discover & Inspire Workshops

### Objective:

- Educational workshops but fun because it is the holidays!
- To improve English childrens' language through them learning about a range of subjects
- The aim is to cover things that the children are curious about and to do this in English.
- Subjects and themes would include planets, stars, geography, nature, your body, themes from history and much more!

### Level:

- Students must be able to read and write in English (even if basic)
- We are offering 2 groups: CP-CE1-CE2 and CE2-CM1-CM2

### Information:

- Small groups of 6-12 students
- High quality teaching by an ex-primary school teacher also with experience of teaching expat children.
- Parents must provide a picnic lunch and an afternoon snack
- Students need a rucksack, water bottle, sun hat, trainers, suncream
- Workshops will take place at the Ecole Sainte Marie in Morzine but students will also go out with the teacher.
